

World's Greatest Shave

The team at Ironbark Asset Management participated in the 2010 World's Greatest Shave. Congratulations to Chris, Brendan and Matt for raising over \$10,000 in support of the Leukaemia Foundation.

All money raised will be used to care for patients and to research into better treatments and hopefully cures for blood cancers, such as leukaemia and lymphoma. Visit www.leukaemia.org.au to learn more about the work of the Leukaemia Foundation.
